SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for an extension of a currently approved information collection and is sponsored by National Marine Fisheries Service Office of Protected Resources

The Marine Mammal Protection Act (16 U.S.C. 1361 et seq.; MMPA or the Act) mandates the protection and conservation of marine mammals and makes the taking of marine mammals, except under limited exceptions, a violation of the Act. MMPA section 118 provides an exception to that prohibition for taking of marine mammals incidental to commercial fishing operations subject to requirements listed in that section. The owner of any fishing vessel engaged in any fishery identified by the National Marine Fisheries Service (NMFS) as having either frequent (Category I) or occasional (Category II) takes of a marine mammal is to register with the Secretary of Commerce (Secretary) in order to obtain an authorization for the purpose of lawfully, incidentally taking marine mammals. Fishers operating in fisheries identified by NMFS as having only a remote chance (Category III) of taking marine mammals need not register for such an authorization.

The owner or operator of a commercial fishing vessel, regardless of the classification of the fishery, is required under the Act to report all incidental mortality and injury of marine mammals in the course of commercial fishing operations. Supplying the information within 48-hours after the end of a fishing trip is mandated under Section 118(e) of the MMPA and is needed by NMFS to determine the correct category placement for fisheries. MMPA section 118(c) requires NMFS to reexamine the classification of fisheries based on information gathered under the MMPA, including these injury and mortality reports from fishermen.

Minor revisions are being made to the form to clarify the instructions for completing the “Description of the mortality/injury incident” (DESCRIPTION OF UNKNOWN SPECIES OR CIRCUMSTANCES OF MORTALITY/INJURY INCIDENT field) and the “Coast Guard document number” (COAST GUARD DOCUMENT NO. or VESSEL’S STATE REGISTRATION NO field).
